

Aluminum

Barenaked Ladies

Tabbed By: Henry Willard, 16, England

Tuning: Standard

Intro Chords: **D, A, E** x4

E **D** **A** **E** **D** **A** **E**
How, in every visible way you shine, as if the stars in your wake align

D **A** **E**
Almost impossible to malign

E **D** **A** **E** **D** **A** **E**
But just below where you shine you burn, although I know it I never learn

D **A** **E**
Just goes to show that I can't discern

CHORUS:

D **A** **E** **D** **A** **E** **D** **A** **E**
Aluminum to me, aluminium to some. You can shine like silver all you want

D **A** **E**
But you're just Aluminum

E **D** **A** **E** **D** **A** **E**
Illuminating just what you want to show, You'd never rust but I'd never know

D **A** **E**
You can't be trusted, I can't let go

D **A** **E** **D** **A** **E** **D** **A** **E**
Aluminum to me, aluminium to some. You can shine like silver all you want

D **A** **E**
But you're just Aluminum

G **A** **E** **D** **G** **A** **E**
Every time you're here I forget, When you leave, you leave only regret,

D A E G A E

Every time you re here, I forget E-very-thing

E D A C E D A C

You re so lightweight, how can you survive? Recycling moments from others

E D A C E

lives, You re not as precious as you contrive

D A E D A E D A E

Aluminum to me, aluminium to some. You can shine like silver all you want

D A E D A E

But you re just Aluminum. Yeah you re just aluminum

Outro Chords: D, A, E x9, end on the 10th D Chord

Hope this helps!
