Song: Break Your Heart
Artist: Barenaked Ladies
Album: Born on a Pirate Ship
Track #9
Tabbed out by Melissa Arnold

Break Your Heart

-Barenaked Ladies

G **D**
The bravest thing I ve ever done
 Am7 **D**
Was to run away and hide
 G **D** **C** **D**
But not this time, not this time
 G **D**
And the weakest thing I ve ever done
 Am7 **D**
Was to stay right by your side
 G **D** **C** **D**
Just like this time and every time
 Am **C** **D**
I couldn t tell you I was happy you were gone
 C **D** **C** **D**
So I lied and said that I missed you when we were apart
 Am **C** **D**
I couldn t tell you so I had to lead you on
 G **D** **G** **D** **C** **D**
But I didn t mean to break your heart.

G **D**
And if I always seemed distracted,
 Am7 **D**
Like my mind is somewhere else
 G **D** **C** **D**

That s because it s true, yes it s true

G **D**

It s the stupid pride that makes me feel

Am7 **D**

Like I have to follow through

G **D** **C** **D**

Even half-assedly, loving you

Am **D** **C** **D**

Why must I always speak in terms of cowardice?

Am7

When I guess I should have just come out and told

D

You right from the start

Am **D** **C** **D**

Why must I always tell you all I want is this?

C **D** **G** **D** **Am7** **D**

I guess cause I didn t want to break your heart.

D

And you said

Am

What d you think I that I was gonna do?

Am

Curl up and die just because of you?

D

I m not that weak, you know

Am

What d you think that I was gonna do?

Am

Try to make you love me as much as I love you?

D

How could you be so low?

G **D** **C** **D**

You arrogant man,

Em **D** **C** **D**

What do you think that I am?

Am **D**

My heart will be fine

Am **D**

Just stop wasting my time

G **D**

And now I know that you will be okay

Am7 **D**

And that I got what I want

G **D**

And that s rid of you

C **D**

Good-bye

G **D**

And its not cause I ll be missing you

Am7 **D**
 That makes me fall apart
 G **D**
 It s just that I didn t mean to break
 Am7 **D**
 No, I didn t mean to break
 C **D**
 No, I didn t mean to break
 G **D** **C** **D**
 Your heart
 G **D** **C** **D**
 Your heart
