I Can I Will I Do  
Barenaked Ladies

Key of D

A\* designates an A (A C# D) but ideally played higher than the preceding Bb. I tabbed this out on my GCEA-tuned ukulele (I m sorry but my guitar is at home and

I m in my dorm) and I played Bb as 4222 and A\* as 6454.

Also, if you want to play that characteristic recurring guitar riff with chords,

try D A D Bb D A D.

Lyrics are from Sing365.

This is my first tab so leave comments. Hope you enjoy!

**D** **Bb** **A** **D**  
Friend, this shouldn t be the way things end  
**D** **Bb** **A** **D**  
But then, a break is just around the bend.  
**D** **Bb** **A**  
And when you tell me as I leave  
**Em** **A**  
You re scared you ll never see my face again  
**Em** **G**  
Well, I m not sure it s the truth

**G** **A**  
You don t think I can love you  
**G** **A**  
You don t think I can love you  
**G** **A**  
You don t think I can love you  
**Bb** **A\*** **D**  
But I can and I will and I do

**D** **Bb** **A** **D**  
You write - I read your letters every night  
**D** **Bb** **A** **D**  
All right, I skim them just to be polite.  
**D** **Bb** **A**  
I fight embarrassment and shame  
**Em** **A**  
The mention of your name makes me turn white  
**Em** **G**  
But guilt still makes me refrain

**G** **A**  
You don t think I can love you  
**G** **A**  
You don t think I can love you  
**G** **A**  
You don t think I can love you  
**Bb** **A\*** **D**  
But I can and I will and I do

**G** **A** **D** **Bb**  
I imagine you think I don t think of you  
**G** **A** **D** **Bb**  
You know you couldn t be more wrong  
**G** **A** **D** **Bb**  
If good intentions paved the road that gets me through  
**G** **A**  
Then I ve got a six-lane highway  
**G** **A**  
And I intend to someday  
**G** **A** **Bb** **A\*** **D**  
Do all the things I say I can and I will and I do

**D** **Bb** **A** **D**  
Hey - it s hard for me to go away  
**D** **Bb** **A**  
Okay, I know it s not adult  
**Em** **A**  
But it s just as difficult for me to stay  
**Em** **G**  
And anyway you say

**G** **A**  
You don t think I can love you  
**G** **A**  
You don t think I can love you  
**G** **A**  
You don t think I can love you love you love you love you

**Bb** **A\*** **D**  
I can and I will and I do  
**Bb** **A\*** **D**  
I can and I will and I do
