A Aadd4 Aadd4

(same chords as first verse)

The day they found me asleep on the floor

Engine running, closed garage door

Was the day the for sale sign arrived on the lawn

Two weeks later, and we were gone

Everyone falls through time and the funnel it makes

But I m staying here inside my biggest mistake

[CHORUS]

**A**

I live with it every day

**F#m**

Even though we moved away

**Bm**

Our yesterdays are on a loop;

**E**

A marathon of heartbreaking moments

**A**

I live with it every day

**F#m**

For every step I have to pay

**Bm**

The only thing that they can t take

**E**

The guilt that spirals in my wake
