If I were you, & I wish that I were you
D Cadd9
All the things I d do to make myself turn blue
Em G
I suppose I d start by removing all my clothes
D Cadd9
Tie my pantyhose around my neck

G Cadd9 D G Cadd9
I ll be that girl and you would be right over
D G Cadd9 D G Cadd9
If I were a field you would be in clover
D G Cadd9 D G Cadd9
If I were the sun you would be in shadows
D G Cadd9 D Em
And if I had a gun there d be no tomorrows

G
If you will not have me as myself
D Cadd9 Em
Perhaps as someone else perhaps as you I ll be worth noticing
G
Then even a eunuch won t resist
D Cadd9
The magic of a kiss from such as me

G Cadd9 D G Cadd9
I ll be that girl & you would be right over
D G Cadd9 D G Cadd9
If I were a field you would be in clover
D G Cadd9 D G Cadd9
If I were the sun you would be in shadow
D G Cadd9 D G
And if I had a gun there d be no tomorrow
