Is Somebody Singing Barenaked Ladies

A new song, and the first song to ever be premiered from space.

D

It s a collaboration by BNL and austronaut, Chris Hadfield. It also features the

Wexford Gleeks Choir.

These chords overall sound good, with just a couple rough spots. I tanscribed them

by ear, so feel free to submit any corrections. Enjoy!

-Standard Tuning-

-No Capo-

-Chords Are Played As Follows:-

Em: 022000
D: xx0232
Am: x02210
C: x32010
G: 320033
Cadd9: x32033

[Intro]

Em, D, Am, C, D

[Verse 1]

Em D Am

On solid fuel and wires,

C D Em

Turn the key and light the fire,

D Am C We re leaving Earth today.

[Verse 2]

This rocket s burning bright, We ll soon be out of sight, And orbiting in Space.

[Pre-Chorus]

) Er

Pushed back in my seat,

G

Look out my window,

D Cadd9

There goes home.

D Em

That ball of shiny blue,

```
Houses everybody anybody ever knew.
[Chorus]
D (Let ring) G
So sing your song, I m listening,
          C
                    Am
Out where stars are glistening,
I can hear your voices bouncing off the Moon.
              G
 If you could see our nation,
         Am C
                  Am
From the International Space Station,
                 D
You d know why I want to get back soon (Get back soon).
[Verse 3]
Eighteen thousand miles an hour,
Fueled by science and solar power,
The ocean s racing past.
[Verse 4]
At half a thousand tons,
Ninety minutes, Moon to Sun,
A bullet can t go half as fast.
[Pre-Chorus]
Floating from my seat,
Look out my window,
There goes home (There goes home).
That brilliant ball of blue,
Is where I m from and also where I m going to.
[Chorus]
So sing your song, I m listening,
Out where stars are glistening,
I can hear your voices bouncing off the Moon.
If you could see our nation,
From the International Space Station,
You d know why I want to get back soon (Get back soon).
[Bridge]
\mathbf{E}\mathbf{m}
All black and white just fades to gray,
          Em
Where the Sun rises sixteen times a day (Day),
Em
You can t make out borders from up here,
                         D
Just a spinning ball within a tiny atmosphere (Atmosphere).
[Break]
```

Cadd9

G

D

(Strum each chord once)

Cadd9, D, Cadd9

[Pre-Chorus]
Pushed back in my seat,
Look out my window,
Here comes home (Home).
What once was fueled by fear,
Now has fifteen nations orbiting together here.

[Chorus]

So sing your song, I m listening,
Out where stars are glistening,
I can hear your voices bouncing off the Moon.
If you could see our nation,
From the International Space Station,
You d know why I want to get back soon (Get back soon),

[Outro]

You d know why I want to get back soon (Getting back to you, getting back to you),

You d know why I want to get back soon (Getting back to you, getting back to you),

You d know why I want to get back soon (Getting back to you, getting back to you),

You d know why I want to get back soon.
