Here s a song that BNL only does in concert. There is one know recording of the song, it belongs to CFNY, the alternative music station in Toronto, Ontario, Canada.

Hope you like it. Sorry about the chord spacing.

MCDONALDS GIRL - Barenaked Ladies

D A G (quick A) D
D A G A D
I leave from softball practice every night
D A G A D
It s getting dark, but the Golden Arches light up the way
D A G AD
I turn the corner at the traffic light
D A G A Bm
I count my money and then I rehearse what I m going to say
Bm Em Bm
I d like an order of fries, a quarter-pounder with cheese,
Bm Em A (hold)
I love the light in your eyes, will you go out with me please?

CHORUS:

D A G
I am in love with a McDonalds girl
D A G A D
She has a smile of innocence so tender and warm
D A G
I am in love with a McDonalds girl
D A G A D
She is an angel in a polyester uniform

She doesn't try to impress anyone
She doesn't act all tough like all the other girls that I know
She don't treat me like a simpleton
She's not ashamed to be the only other virgin I know
 When my hamburger's cold, I get up ready to go,
 She's only fifteen years old, and I'm in love with her soul

(Steve Page Rap Solo)

She's got a gold tooth, you know she's hardcore
She'll show you a good time, then she'll show you the door...BOY!

CHORUS

There she stands behind the register
She's taking orders from the Saddle River Little League
If they knew how much I wanted her
Their home-room teachers would have to send them home for a week
 As I head through the door, the movement catches her eye,
 My heart begins to soar, she smiles, she waves good-bye, good-bye
 Good-bye, good byeeeeeeeeeeeeee

CHORUS

Uno, dos, tres, quatro
Big Mac, Filet o Fish, Quarter Pounder, French Fries
Icicy Coke, Thick Shakes, Sundaes and Apple Pies
Sing that song of taste
You can only find at one place: McDonalds

CHORUS
