

Pollywog In A Bog
Barenaked Ladies

Capo 3

D **D**
In a puddle by the trail,
C **G**
Flips his tiny tail,
C **G**
Just like a great big whale,
 A **D**
But smaller than a snail.

D **D**
He s a pollywog in a bog,
C **G**
Swims under soggy logs,
C **G**
One day he ll be a frog
A **D**
Pollywog in a bog.

D
Oh-oh-oh-oh
D
Oh, oh oh.
C
Oh, oh, oh.
G
Ooooooooooh, Oh, oh-oh,
D
Oh, oh-ho.

D **D**
It s a pollywog in a bog
C **G**
Swims under soggy logs
C **G**
One day he ll be a frog
A **D**
Pollywog in a bog

D **D**
Overhead a cedar tree
C **G**
Gives the shade he needs
C **G**
Munching while he feeds
 A **D**

On lily pads and weeds

D **D**
Knows not where he s from
C **G**
Or how his life had begun
C **G**
He s not the only one
A **C**
And soon he ll breathe through lungs

C **G**
It s hard to believe
C **G**
With the arms you ll receive
C **A**
You ll lift your head
C **G**
Above the water and breathe

C **G**
Gills shrink away
C **A**
And may there come a day
C **G**
When you reach the shore
A **D**
With a whole world to explore

G **G**
[Ribbit, ribbit, a tadpole exhibit
Am **C**
It s a transformation no one can inhibit
Am **C**
Amphibian change may seem strange
D **G**
Take them gills and the tail and they all rearrange

G **G**
Out come the legs for the jump, jump
Am **C**
Hop to the top of the stump, stump
Am **C**
Out come the legs for the jump, jump
D **G**
Hop to the top of the stump, stump]

G **G**
Where the mud is deep
Am **C**
Frost will soon creep
Am **C**
And without a peep

D **G**
A frog is fast asleep

G **G**
It was a pollywog in a bog
Am **C**
Swam under soggy logs
Am **C**
In the morning fog
D **G**
Pollywog in a bog

G **G**
It was a pollywog in a bog
Am **C**
Swam under soggy logs
Am **C**
In the morning fog
D **G**
Pollywog in a bog

G **G**
It was a pollywog in a bog
Am **C**
Swam under soggy logs
Am **C**
In the morning fog
