

Take It Outside
Barenaked Ladies

Copyright: Wesley Rykse
Band: Barenaked Ladies
Song: Take It Outside

NOTES: This version of the song requires a *CAPO* on the *3RD* fret.
The reason I did this was because I save myself and yourself from the hassle of tuning and re-tuning your guitar to an Eb tuning. It MIGHT be a little off on the verse but I m pretty sure I got it down. Please to DO NOT steal this file and distribute it as your own, you can print it or put it on your website WITH PERMISSION ONLY. One more thing. DO NOT Eb TUNE IT, just incase you didn t know. ALL THE VERSES ARE THE EXACT SAME! And now, the song goes like this:

Verse 1:

F C F C
Oh Ho I, I watch it all go down
