THE OLD APARTMENT - Barenaked Ladies

It s a damn shame that no one has submitted the tab for this sweet-ass song!
So here it is, people!

CHORDS USED:

Bb[688766]
F [x8/10/10/10x]
Eb[x6888x]
Gm[355333]

Alternate method! -Capo 3rd fret, replace Bb with G, F with D, and Eb with C,
and Gm with Em.

VERSE:

Bb **F** **Eb**
Broke into the old apartment
Bb **F** **Eb**
This is where we used to live

CHORUS:

Gm **F** **Eb**
Why did you paint the walls
Gm **F** **Eb**
Why did you clean the floor
Gm **F** **Eb**
Why did you plaster over
 Eb **Bb**
The hole I punched in the door

SOME OTHER PART THAT ISN T A BRIDGE BUT NOT NECESSARILY THE VERSE OR CHORUS:

Bb **F** **Eb**
Why did you keep the mousetrap
 F **Bb**
Why did you keep the dish rack
 F
These things used to be mine
 Eb F (strum once, mute fast)
I guess they still are, I want em back

BRIDGE:

Gm **F** **Eb** **Bb**

I know we don t live here anymore

***I am just taking a wild guess with the bridge. It is played a lot like the chorus,
but I do think there is a Bb stuck in there somewhere, listen for it and tell me if I m
right.
