

**What A Letdown**  
**Barenaked Ladies**

Intro: [**G-D-A-A**]

What a letdown, what a letdown.

Verse: [**A-G-D-G**]

Even if I let this settle,  
It ll lead to a little fight.  
Even when I get to meddling  
I need to remain polite.  
I could cut across this field,  
But it hits pretty close to home.  
Maybe if I jiggle it a little  
It ll open up on it s own.

Chorus: [**A-G-D-D**]

Oh well, what a letdown.  
Oh well, what a letdown.

Verse: [**A-G-D-G**]

Never has a stranger had a better  
Taste of another town.  
Just time for a cowboy breakfast -  
That s a leak and a look around.  
Looks like the land of plenty;  
There will be plenty there to do.  
That might have been funny at twenty,  
But I just turned thirty-two.

Chorus: [**A-G-D-D**]

Oh well, what a letdown.  
Oh well, what a letdown.  
Oh well, what a letdown.  
Oh well, what a letdown.

**A** Cappella/Synth Solo [**Asus2-E-G-D**]

Let down your guard.  
Moving forward.  
Finally, four words.
