NO REASON TO KEEP HATE IN YOUR HEART

**G Em C D**

You will stay in my heart, long after I m gone in yours  
and I would feel, that Im luckier  
You will stay in my heart, long after I m gone in yours  
now I agree, that you re not like me

and if you don t fail sometimes  
you won t do something interesting  
and if your don t fail, you re obviously  
waiting for me to

there s no reason to keep hate in your heart  
there s no reason to keep hate in your heart  
there s no reason to keep hate in your heart  
there s no reason to keep hate in your heart
