STOP MAKING MY LIFE HELL

A D A E

Stop making my life, making my life hell
& let me do what I should do
Stop stop making my life, making my life hell
& let me be the one for u
stop making it hard when it should be easy..
and let me do what I could do (what i could do)
stop stop making hard when it should be easy
let me get my heart over to u

D E A A

im broken hearted but id love to get started
u know ill love u when your body has kids
ill fall apart if one day we ever parted
but this can only get startedâ€¦..
with a kiss
