

**Hello Sunshine**  
**BarlowGirl**

I love this song and I noticed that there wasn't a tab for it...so here's my first attempt at doing this! Not sure what the intro or the interlude is...I just use the chords from the verses.

Capo 3

D A D A Bm Em A  
Hello sunshine it's been too long since I felt your beautiful warmth upon my face

D A D A Bm Em  
And how much have I missed because I've been focused on everything wrong

A Em G  
This road just felt so long

D A Em G D A  
I forgot to lift my head to see you

D A G D A G  
Oh my lovely shining for me  
Em G A  
Let my eyes see all the beauty

A  
Oh-oh

D A D A Bm Em  
Hello sunshine since the moment that I felt your beautiful warmth

A D A D A D  
I knew that I'd do anything to keep this feeling of you

A Bm  
My heart comes alive

Em G D A  
Oh who could add a day

Em G D A Em G  
To this life by dreading every dark sky

D A G D A G  
Oh my lovely shining for me  
Em G A  
Let my eyes see all the beauty

A  
Oh-oh

D A G  
Fill my dark skies

D A G  
Make me see the light

Em G A

Life is fine so bring in the sunshine

**A**

Oh-oh-oh

Interlude

**Em G A D**

Let in the, let in the sunshine

**Em G A D**

Whoa-oh let in the sunshine

**Em G A D**

Let in the, let in the sunshine

**Em G A**

Whoa-oh-oh-oh.....

**D**

Let in the sunshine
