[Verse 1]

D Dm A

La la la

Amaj7

When my beauty fades away and all you see is gone

A2

F#m

My reflection in the mirror doesn't please you anymore

D Dm A

What will be left with me

Amaj7

You promise me eternal bliss never ending happiness

A2

F#m

If I'd only look and play the right part

D Dm A

But, Now look what's been left in me

[Pre-Chorus]

Bm

F#m

So tell me why do I (why do) why do I try (try to)

Asus2

Try so hard to please you

Bm

F#m

Can you promise me (can you) in a few years (promise)

Asus2

You will even remember my name

[Chorus 1]

Am7 C#m F#m Asus2 Am7 C#m F#m Asus2

Cause I am made in the image of God

Am7 C#m F#m Asus2 C#m Asus2

And I am loved for who I am

[Verse 2]

Amaj7

Your flashy magazines & billboards always scream

A2

F#m

Your worth is not within, it's how you look it's how you dress, it's who you know

D Dm A

But, that's a deadly trap

Amaj7

So I'm breaking all your rules and getting off your path

A2

F#m

Cause I have come to see that where it leads is only heartbreak and shame

D Dm A

Who could be satisfied with that

[Pre-Chorus]

Bm **F#m**
So tell me why do I (why do) why do I try (try to)
Asus2
Try so hard to please you
Bm **F#m**
Can you promise me (can you) in a few years (promise)
