On My Own
BarlowGirl

I m not sure if these are the right chords, or even the right key that
BarlowGirl
sings it in, but I thought it sounded pretty good :)

Capo 3

INTRO

B G#m E F#
B G#m E F#

VERSE 1

```
  B                         G#m           E             F#
I can t believe that I m here in this place again.
        B           G#m        E        F#
How did I manange to mess up one more time?
    B                  G#m          E            F#
This pattern seems to be the story of my life.
            B          G#m          E           F#
Should have learned this lesson by the thousandth time.
        G#m                 E                   G#m         F#
 Cause I promised myself I wouldn t fall, but here I ve fallen.
   G#m                  E
I guess I m not as strong as I thought.
      G#m        F#
All I can do is cry to you.
```

CHORUS

```
   B        G#m       E          F#
Oh God, you have to save me.

You re my last and only hope.
    B          G#m        E         F#
All my right answers fail me.
    B         G#m       E        F#
And I can t seem to make it on my own.
```

B G#m E F#
B G#m E F#

VERSE 2

```
  B                       G#m           E               F#
I always thought that I could be strong enough.
      B                   G#m               E          F#
```

```
What made all of them fall couldn t take me down, yeah.
     B                G#m       E              F#
But did I think that I was above it all?
       B               G#m          E          F#
I have learned that pride comes before the fall.
         G#m                    E                   G#m        F#
I can t promise myself that I won t fall,  cause here I ve fallen.
    G#m              E
I know I m not as strong as I thought.
       G#m        F#
All I can do is cry to you.

CHORUS

    B        G#m      E         F#
Oh God, you have to save me.
          B         G#m    E    F#
You re my last and only hope.
     B          G#m       E        F#
All my right answers fail me.
     B          G#m     E        F#
And I can t seem to make it on my own.

B G#m E F# (4x)

CHORUS

B        G#m       E           F#
God, you have to save me.
          B         G#m    E    F#
You re my last and only hope.
     B          G#m       E        F#
All my right answers fail me.
     B          G#m     E        F#
And I can t seem to make it on my own.

B G#m E F# (4x)
