

Sing Me A Love Song  
BarlowGirl

Intro: **Em**

**Em**

The tension is thick in the air

**C**

Making it hard to see

**Em**

I fear what is to come

**C**

And what will become of me

**D**

I say a prayer help me not run away

**C**

**D**

**Em**

**D**

Will you please hold me

**C**

**Em**

**C**

And sing me a love song again

**G**

**D**

Say the words that heal my heart

**Em**

**C**

sing me a love song and then

**G**

**D EM C G D**

Let your words remind me who I am

You ve never failed me before

Why do I feel betrayed

If I close my heart to you now

The darkness would have its way

I crave your voice help me not fall away

Will you please hold me

**Em**

**G**

Cause you are all I need

**C**

**Em**

(**Em D C**)

And all that I want is you with me

**Em**

**G**

You are all I need

**C**

**Em**

And all that I want is you with me
