

Sing Me A Love Song
BarlowGirl

Intro: **Em**

Em

The tension is thick in the air

C

Making it hard to see

Em

I fear what is to come

C

And what will become of me

D

I say a prayer help me not run away

C

D

Em

D

C

Will you please hold me

Em

C

And sing me a love song again

G

D

Say the words that heal my heart

Em

C

sing me a love song and then

G

D EM C G D

Let your words remind me who I am

You ve never failed me before

Why do I feel betrayed

If I close my heart to you now

The darkness would have its way

I crave your voice help me not fall away

Will you please hold me

Em

G

Cause you are all I need

C

Em

(Em D C)

And all that I want is you with me

Em

G

You are all I need

C

Em

And all that I want is you with me
