Artist: Barry Louis Polisar
Song: Me and You
Album: I Eat Kids (& Other Songs for Rebellious Children)
[Also heard on Juno B-Sides: Almost Adopted Songs]

This quickly became one of my favorite songs. I couldn t find the chords for it,

so I figured them out.

-Standard Tuning
-Capo on 1st fret

Basic strumming pattern:
```
     G              C       G       G               D       G
e------3-----3-------------3------3-----3------3-----3---||
B------3-----3------1------3------3-----3------2-----3---||
G------0-----0------0------0------0-----0------3-----0---||
D------0-----0------2------0------0-----0---0--------0---||
A------2-----2---3--3------2------2-----2------------2---||
E---3--3--3--3---------3--3---3--3--3--3---------3--3---||
     *      *      *       *       *      *      *      *
```

The * s represent thumb strokes, making up the bass line for the song.
The song keeps this pattern throughout.
