Even Now
Barry Manilow
D7
      Α9
                                  D7
Even Now when there s someone else who cares when there?s
someone home who s waiting just for me even
                                                               F#m7
now I think about you as I m climbing up the stairs and I
                            в7
wonder what to do so she won t see that even
                 D7
now when I know it wasn t right and I?ve
C#m7
                   Rm7
                                           Δ7
found a better life than what we had even
                                          C#m7
now I wakeup crying in the middle of the
                                                            D/E
              A/B
night and I can t believe it still could hurt so bad
even now when I have come so
G#m Ddim/C#
far I wonder where you are I
                         D/E
                                 D
wonder why it s still so hard with--out you even
now when I come shining through I
Ddim/C#
swear I think of you and

                                             D7 A9
how I wish you knew even now
D7
                        D7
      Α9
even now when I never hear your name and the world
                       Bm7
                                                       Α7
has changed so much since you been gone even
                                              C#m7
                                                                   F#m7
now I still remember and the feeling s still the same and this
                     в7
pain inside of me goes on and on even now even
Chorus II

                                        Ebdim/D
now when I have come so far I wonder where you
                            Eb/F
                                    Eb
                                               Eb/D Cm7
Are I wonder why it s still so hard with--out you
