

It Could Happen To You  
Barry Manilow

D D6 Gdim  
Hide your heart from sight,  
Em7 Edim Gdim  
Lock your dreams at night  
D G B7  
It could happen to you  
G Em7 A7 D7M  
Don't count stars or you might stumble  
Bm7 B7 Em7 A7 Em7/9 A7  
Someone drops a sigh, and down you tumble  
D D6 Gdim  
Keep an eye on spring  
Em7 Edim Gdim  
Run when church bells ring  
D G B7  
It could happen to you  
G G/F# Em G/B D F#m B7  
All I did was wonder how your arms would be  
G Em A7 A7/13 D  
And it happened to me
