[Verse 1]

G **Bm** **Cmaj7** **D**
Last night I said good-bye, now it seems years

I m back in the city where nothing is clear

But thoughts of me holding you, bringing us near
And tell me...

G **Am7**
When will our eyes meet?
G **Am7**
When can I touch you?
G **Am7** **Em** **A7**
When will this strong yearning end?
Am7 **D7** **G** **Am7** **G**
And when will I hold you a-gain?

Time in New England took me a-way
G **Bm** **Cmaj7** **D**
to warm rocky beaches and you by the bay

We started a story whose end must now wait
And tell me...

When will our eyes meet?

When will this strong yearning end?
