Barry Rowland & Deliverance

[Intro]

Gm F Eb C F

[Verse 1]

Gm Bb Eb F Bb  
It was the morning, of the third day the women found, the stone was rolled away  
Gm Bb F Bb  
An angel told them, He had risen; come and see where Jesus laid  
Gm Bb Eb F Bb  
I see Mary, in the garden, she met Jesus there that day.  
Gm Bb F  
Bb  
He said go tell them, I have risen, When she found them, I can almost hear her say

[Chorus 1]

Bb Eb Bb  
Heâ€™s alive, the tomb is empty, that stone is rolled away  
Bb C F  
There is nothing, left but grave clothes, death could not make Him stay  
Gm Bb D Gm F Eb  
I believe it, for I have seen Him, for my heart burned deep inside  
Eb Bb F Bb  
Jesus conquered death with victory, praise God, He is alive

[Verse 2]

Gm Bb Eb F Bb  
I was burdened, so deep in sin when I came to Him that day  
Gm Bb F Bb  
When I called, in faith believing, I felt sins burdens roll away  
Gm Bb F Bb  
Though Iâ€™ve not seen that empty tomb, I believe it just the same  
Gm Bb F Bb  
Since the moment Jesus made me whole, with joy, I can proclaim

[Chorus 2]

Bb Eb Bb  
Heâ€™s alive, the tomb is empty, that stone is rolled away  
Bb C F  
There is nothing, left but grave clothes, death could not make Him stay  
Gm Bb D Gm F Eb  
I believe it, for I have seen Him, for my heart burned deep inside  
Eb Bb F Bb

Jesus conquered death with victory, praise God, He is alive
