The Barstool Prophets are a great band that I ve been following for the last few years (since they became the Barstool Prophets) and have been looking for tabs for their work for a long time. Maybe this will start it up!

Intro:
D C G D (x2)

Verse:

[tab]**D** **C**
Sun s up high in the clear blue sky[/tab]
[tab]**G** **D**
Though my mouth s gettin dry still I sing[/tab]
[tab]**D** **C**
Sun burns down through my fears as it s burned away the years[/tab]
[tab] **G** **D**
All the laughter and the tears are now missing[/tab]
[tab]**C** **G**
And I wonder[/tab]
[tab] **D D**
Where the time has gone[/tab]
[tab]**C** **G**
And I wonder[/tab]
[tab] **D D**
Where did I go wrong[/tab]

[tab]D C
Wasted all my time tryin so hard to find a rhyme[/tab]
[tab] G D
Lost the one thing truly mine which was my future[/tab]
[tab]D C
Though I still have the past I just don t know if it will last[/tab]
[tab] G D

Days passed by the same the place I m going has no name[/tab]

[tab]C G

And I reply[/tab]
[tab] D D
Oh it s worth the pain and strife[/tab]
