

Nobody Told Me
Barzin

Am
I awoke
D
in a stranger s house
Dm
I did not feel
A
like myself
Am
I had come
D
to forget
Dm
a pretty girl
A
with auburn hair
A **E7**
There s no god in my blood
A7 **D**
Yet she still remains
D **E**
Nobody told me
A **D**
forgetting could be so hard

Nobody told me
forgetting could be so hard
D **E**
Nobody told me
A **D** **A**
forgetting could be so hard

So I drove
drove around
the city lights
they made me drunk
But then
longing came
and took me back
back to her

Sometimes I wonder
how long before she s gone
Nobody told me
forgetting could be so hard
Nobody told me
forgetting could be so hard

Nobody told me
forgetting could be so hard
Nobody told me
forgetting could be so hard

I hope it sounds good! lamantin
