Bingo Bango
Basement Jaxx

Note: I am not sure of how many times all of these are played as i ve heard
atleast
different versions of this song and the tabs are played a different number of
times. I
have time to count through them.

Intro:

```
G ------8----|
D --8-6------|
A -----------|
E -----------| (repeats x number of times)
```

Main Riff

```
G ------8-----------|
D --8-6-----6-8-8---|
A -------6--------6-|
E -----------------| (repeats x number of times)
```

Part way through (only on one version I think)

```
G ------8--|
D --8-6----|
A -------6-|
E ---------|
```

If you want the number of times it is played you ll have to count that yourself,
for
ever verion it is. I keep losing count and just don t have the time.
