

Never Existed[/tab]

[Repeat intro (1x)]

Verse II:

[tab]       **Em**                               **G**  
I thought I would cry, girl, [/tab]

[tab]       **Em**                               **A**  
And to my surprise, [/tab]

[tab]       **Em**                               **G**  
No tear can fall girl, [/tab]

[tab]       **Em**                               **A**  
Without any eyes, [/tab]

Chorus:

[tab]       **Em**                               **G**  
And I couldn t care for you any more than if you, [/tab]

[tab]       **A**               **Em**  
Never Existed[/tab]

[tab]       **Em**                               **G**  
No, I couldn t care for you any more than if you, [/tab]

[tab]       **A**               **Em**  
Never Existed.... woowww[/tab]

[Solo over verse chords]

[Chorus over and over w/solo and fade]
