Tuning: Half Step Down

Great band, figured I d try to work out a song. I m not sure what tuning they play in, but I tabbed it out in half-step down for easier chords. Keep in mind that this is more of a loose interpretation of the song, sounds fine by itself, but Im not sure if its 100% accurate.

Bm **G** **Bm**
If it all worked out we would live in a different house.

G

Bm **G** **Bm**
You re still in my head. my mind s convinced that you never left.

I still compare everything to your silhouette.

How can I forget what is perfect?
