

Go On

Basia Bulat

Basia's acoustic version of this song.

F#m

Call this on my awful luck

Bm

Skies they opened wide for us

A **E** **D** **A** **E**
Oh, what a heavy rain it was that covered all of you

F#m

The wind has changed, my boy

Bm

I never knew a voice like yours

A **E** **D** **A** **E**
But I know just what good it was, that lie you hold on to.

D **A** **Bm**
But to call those shadows coming after you

F#m

Go on, go on

Bm

I couldn't bear to lose

A

Go on, go on

F#m **E**

I couldn't stand to

Bm

They begged you for your awful words

F#m

So let them know the burden of your blues.

F#m

It could've been the one you loved

Bm

The visions of the things I'd done

A E D A E
Well, I wouldn't be the only one if you'd only told the truth.

F#m
While they chased you down that night

Bm
I was pulling feathers from your lies

A E D A E
Oh I swear I saw it in your eyes, you never told it true.

D A Bm
But to call those shadows coming after you

F#
Go on, go on

Bm
I couldn't beg you to

A
Go on, go on

F#m E
I couldn't stand to lose

Bm
They begged you for your awful words

F#m Bm A E D A E
So let them know the burden of your blues

D A Bm
Oh to call those shadows coming after you

F#m
Go on, go on

Bm
I couldn't beg you to

A
Go on, go on

F#m E
I couldn't stand to lose

Bm
They begged you for your awful words

F#m
So let them know the burden of your blues.
