If it rains - Basia Bulat

This is the first thing I submit, please don't be so harsh on me.

Tuning: Standard

CAPO 1

A **Bm** **F#m**
I don't mind if it rains
A **Bm** **F#m**
I don't mind if it rains
 C#7 **F#m**
If I leave my friends where I found them
 D **A**
Could I make my soul a mountain
 E **D** **A**
Could I tell them not to worry if it rains

A **Bm** **F#m**
The road is dry up ahead
 A **Bm** **F#m**
But the sun might burn me to death
 C#7 **F#m**
Could the love I had be all grown out
 D **A**
Well the only way to find out
 E **D** **A**
Is to hold them where the sun can't dry them out

A **Bm** **F#m**
If I never ask for more
 A **Bm** **F#m**
Still they say they are sure
 C#7 **D**
Everyone has said those words
 A **E**
Even I've heard them before
 A **Bm** **F#m**
If it's easier just to run
 C#7 **D**
I'm as hurried as anyone
 A **E**
