

**Dota**  
**Basshunter**

So the other chords on here were okay but to me, not right. This sounds exact to me so here you go.

**Am** **F**  
Vi sitte hÄr i venten och spelar lite Dota..(Two Times by itself)

**Am** **F**  
Vi sitte hÄr i venten och spelar lite Dota

**C** **G**  
Ä pushar pÄ Ä smeker, med motstÄndet vi leker..

And that s the whole song! Nothing changes. =D Great fun to sing and play along with if ask me.
