Dota Basshunter

So the other chords on here were okay but to me, not right. This sounds exact to me so here you go.

 $\begin{array}{ccc} Am & F \\ \mbox{Vi sitte $h \tilde{A} \mbox{\sc r}$ i venten och spelar lite DotA..(Two Times by itself)} \end{array}$

 $\begin{array}{cc} \textbf{Am} & \textbf{F} \\ \label{eq:relation} \textbf{V} i \text{ sitte } h \tilde{A}^{\texttt{m}} r \text{ i venten och spelar lite } \textbf{D} \textbf{o} \textbf{t} \textbf{A} \end{array}$

 $\begin{array}{c} C & G\\ \tilde{A}^{\tt X} \text{ pushar p}\tilde{A}^{\tt X} \text{ smeker, med motst}\tilde{A}^{\tt Y}\text{ndet vi leker..} \end{array}$

And that s the whole song! Nothing changes. =D Great fun to sing and play along with if ask me.
