Intro: **B**

B **F#**
There is one girl in my life that makes me love again.
(**F#**) **G#** **A#** **B**
As pretty, as a girl can be, so beautiful.
(**B**) **F#**
Every morning she makes me a cup of coffee,
(**F#**) **G#** **A#**
With a smile on her face, I m a man in love,
(**A#**) **B**
And she s glourious.

B **F#**
Oh baby I, want you to stay in my life,
(**F#**) **G#** **A#**
Never say goodbye, even if you cry,
(**A#**) **B**
I m still by your side.

That is pretty much it. =)

Good luck!
