

**Northern Light**  
**Basshunter**

Chords **Am F#m C G** (w/o capo or w/ capo1)  
Intro (each chord only played once)

(Aylar: I m back!)

Intro:

**Am**  
When I m gone  
**F#m**  
Like the northern light  
**C G**  
I ll shine down on you  
**Am F#m**  
I will keep my magic sparkle  
**C**  
Brighter and higher  
**G**  
For you

**Am F#m C**  
I can see sadness in your eyes  
**G Am**  
Remember our love will never die  
**F#m C**  
To watch your future from afar  
**G Am**  
Will surely leave me scarred  
**F#m**  
But I have to face my demons  
**C**  
I have to realize  
**G**  
That I cannot be with you anymore  
**Am**  
But it s alright  
**F#m**  
Yeah it s alright  
**C**  
Yeah it s alright  
**G**  
You just gotta be strong

**Am**

Cause when I m gone  
                   **F#m**  
 Like the northern light  
           **C**                  **G**  
 I ll shine down on you  
           **Am**                  **F#m**  
 I will keep my magic sparkle  
                   **C**  
 Brighter and higher  
           **G**  
 For you

**Am**  
 When I m gone  
                   **F#m**  
 Like the northern light  
           **C**                  **G**  
 I ll shine down on you  
           **Am**                  **F#m**  
 I will keep my magic sparkle  
                   **C**  
 Brighter and higher  
           **G**  
 For you

(Instrumental)is 4x pickin in chords **Am F#m C G** (iunno yet will update asap)

**Am**                                  **F#m**                                  **C**  
 I know it might seem unfair  
                                   **G**                                  **Am**  
 But tomorrow s not ours to share  
                   **F#m**  **C**  
 But let me guide you when you re lost  
                                   **G**                                  **Am**  
 I m so much more than shadow than dust  
                                   **F#m**  
 But I have to face my demons  
           **C**  
 I have to realize  
                                   **G**  
 That I cannot be with you anymore  
           **Am**  
 But it s alright  
           **F#m**  
 Yeah it s alright  
           **C**  
 Yeah it s alright  
                   **G**  
 You just gotta be strong

**Am F#m C G**  
Whoah ohh ohh ohhhh (when I m gone)  
**Am F#m C G**  
Whoah ohh ohh ohhhh

**Am**  
When I m gone  
**F#m**  
Like the northern light  
**C G**  
I ll shine down on you  
**Am F#m**  
I will keep my magic sparkle  
**C**  
Brighter and higher  
**G Am** (fading out)  
For you
