*Intro:*

C#m C#m A C#m A C#m A B  
C#m C#m A C#m F#m C#m A B

*Verse*

                  C#m  
An act of kindness  
                  A          C#m  
Is what you show to me  
          A  
Not more than I can take  
                  F#m                  G#m  
Oh, not more than I can take  
C#m                          A          C#m  
Kindness is what you show to me  
          A                  C#m  
It holds me till I ache  
          A                  B  
Overflow and start to break  
          A                          C#m                  B  
Oh I, got a feeling this will shake me down  
          A                          C#m                  B  
Oh I, kind of hoping this will turn me round

                          C#m  
And now it follows me every day  
                          A  
And now it follows me every day  
                          F#m  
And now it follows me every day  
                          A                          B  
And now it follows me every day, every day, every day  
                          C#m  
And now it follows me every day  
                          A  
And now it follows me every day  
                          F#m  
And now it follows me every day  
                          A                          B  
And now it follows me every day, every day, every day

Verse

                                  C#m  
An act of kindness  
                                  A  
Is what you show to me  
                          F#m                                  A                                  B  
It caught me by surprise in this town of glass and eyes  
C#m                                  A  
Kindness, so many people pass me by  
                          F#m                                  A                                  B  
But you warm me to my core and you left me wanting more

                          A                                  C#m  
Oh I, got a feeling this will shake me down  
                          F#m                                  A                                  B  
Oh I, kind of hoping this will turn me round  
                          C#m                                  A  
Oh I, got a feeling that however slow  
                          F#m                                  A                                  B  
Oh I, kind of hoping this will reach my soul

                                  C#m  
And now it follows me every day  
                                  A  
And now it follows me every day  
                                  F#m  
And now it follows me every day  
                                  A                                  B  
And now it follows me every day, every day, every day  
                                  C#m  
And now it follows me every day  
                                  A  
And now it follows me every day  
                                  F#m  
And now it follows me every day  
                                  A                                  B  
And now it follows me every day, every day, every day

Bridge

C#m  
Back s up against the wall  
                          A  
I feel guilty, I feel guilty  
                          F#m  
And you want nothing in return  
                          A                                  B  
I feel guilty, I feel guilty  
C#m

Back s up against the wall

A

I feel guilty, I feel guilty

F#m

And you want nothing in return

A

B

I feel guilty, I feel guilty

C#m

And now it follows me every day
