

**Bad Blood**  
**Bastille**

[Intro] **Em D**

**Em** **D C**  
We were young and drinking in the park

**Em** **D C**  
There was nowhere else to go

**Em** **D C**  
And you said you always had my back

**Em** **D C**  
Oh but how were we to know

**C** **Em C D**  
That these are the days that bind you together, forever

**C** **Em C D**  
And these little things define you forever, forever

**Em** **C D**  
All this bad blood here, wont you let it dry?

**Em** **C D**  
Its been over for years, wont you let it lie?

( **Em D** )

( **Em D** )

**Em** **D C**  
If we re only ever looking back

**Em** **D C**  
We will drive ourselves insane

**Em** **D C**  
As the friendship goes resentment grows

**Em** **D C**  
We will walk our different ways

**C** **Em C D**  
That these are the days that bind us together, forever

**C** **Em C D**  
And these little things define us forever, forever

**Em** **C D**  
All this bad blood here, won t you let it dry?

**Em** **C D**  
It s been over for years, wont you let it lie?

**C** **Em**  
And I don t wanna hear about the bad blood anymore

**C** **Em D**  
I don t wanna hear you talk about it anymore

**C** **Em**  
I don t wanna hear about the bad blood anymore

**C** **Em D**  
I don t wanna hear you talk about it anymore

**Em** **C** **D**  
All this bad blood here, won t you let it dry?

**Em** **C** **D**  
It s been over for years, wont you let it lie?
