

Falling
Bastille

Intro: **F Dm**

My God, are we gonna be like our parents?
Not me...ever
It s unavoidable, it just happens.
What happens?
When you grow up, your heart dies.
who cares?
I care.

Dm

Walking out into the dark, going out a different path

Bb F

Led by a beating heart

Dm

All the people of the town cast their eyes right to the ground

Bb F

In matters of the heart

Dm C

The night is all you have

Bb C F

You ran into the night from all you had

(F) Dm C

You found yourself a path upon the ground

Bb

You ran into the night

F

You can t be found

C Dm

But this is your heart

Bb

Can you feel it

F

Can you feel it

C Dm

Pumps through your veins

Bb

Can you feel it

F

Can you feel it

Dm

Summer evening breeze is blue
Drawing voices deep from you

Bb **F**
Lead by a beating heart

Dm
What a year and what a night
What terrifying final sights

Bb **F**
Put out your beating heart

Dm **C**
The night is all you have

Bb **C** **F**
You ran into the night from all you had

(F) **Dm** **C**
You found yourself a path upon the ground

Bb
You ran into the night

F
You can't be found

C **Dm**
But this is your heart

Bb
Can you feel it

F
Can you feel it

C **Dm**
Pumps through your veins

Bb
Can you feel it

F
Can you feel it

Outro: **F Dm**
