Falling Bastille

```
Intro: F Dm
My God, are we gonna be like our parents?
Not me...ever
 It s unavoidable, it just happens.
What happens?
When you grow up, your heart dies.
 who cares?
 I care.
Dm
Walking out into the dark, going out a different path
Вb
Led by a beating heart
All the people of the town cast their eyes right to the ground
In matters of the heart
Dm
The night is all you have
                Вb
                            C
You ran into the night from all you had
(F)
                    Dm
You found yourself a path upon the ground
You ran into the night
You can t be found
                 Dm
But this is your heart
Вb
Can you feel it
Can you feel it
Pumps through your veins
Can you feel it
Can you feel it
```
