

Falling
Bastille

Intro: **E C#m**

My God, are we gonna be like our parents?
Not me...ever
It s unavoidable, it just happens.
What happens?
When you grow up, your heart dies.
who cares?
I care.

C#m

Walking out into the dark, going out a different path

A E

Led by a beating heart

C#m

All the people of the town cast their eyes right to the ground

A E

In matters of the heart

C#m B

The night is all you have

A B E

You ran into the night from all you had

(**E**) **C#m B**

You found yourself a path upon the ground

A

You ran into the night

E

You can t be found

B C#m

But this is your heart

A

Can you feel it

E

Can you feel it

B C#m

Pumps through your veins

A

Can you feel it

E

Can you feel it

C#m

Summer evening breeze is blue
Drawing voices deep from you

A **E**
Lead by a beating heart

C#m
What a year and what a night
What terrifying final sights

A **E**
Put out your beating heart

C#m **B**
The night is all you have

A **B** **E**
You ran into the night from all you had
(**E**) **C#m** **B**
You found yourself a path upon the ground

A
You ran into the night
E
You can't be found

B **C#m**
But this is your heart

A
Can you feel it
E
Can you feel it

B **C#m**
Pumps through your veins

A
Can you feel it
E
Can you feel it

Outro: **E C#m**
