

**Falling**  
**Bastille**

*Intro:* **G Em**

My God, are we gonna be like our parents?  
Not me...ever  
It s unavoidable, it just happens.  
What happens?  
When you grow up, your heart dies.  
who cares?  
I care.

**Em**

Walking out into the dark, going out a different path

**C** **G**  
Led by a beating heart

**Em**

All the people of the town cast their eyes right to the ground

**C** **G**  
In matters of the heart

**Em**

**D**  
The night is all you have

**C** **D** **G**  
You ran into the night from all you had

(**G**) **Em** **D**  
You found yourself a path upon the ground

**C**  
You ran into the night

**G**  
You can t be found

**D** **Em**  
But this is your heart

**C**  
Can you feel it

**G**  
Can you feel it

**D** **Em**  
Pumps through your veins

**C**  
Can you feel it

**G**  
Can you feel it

**Em**

Summer evening breeze is blue  
Drawing voices deep from you  
**C** **G**  
Lead by a beating heart

**Em**  
What a year and what a night  
What terrifying final sights  
**C** **G**  
Put out your beating heart

**Em** **D**  
The night is all you have  
**C** **D** **G**  
You ran into the night from all you had  
(**G**) **Em** **D**  
You found yourself a path upon the ground  
**C**  
You ran into the night  
**G**  
You can't be found

**D** **Em**  
But this is your heart  
**C**  
Can you feel it  
**G**  
Can you feel it

**D** **Em**  
Pumps through your veins  
**C**  
Can you feel it  
**G**  
Can you feel it

Outro: **G** **Em**
