                             G
When all of your flaws and all of my flaws are laid one by one
Wonderful part of the mess we made
We pick ourselves undone
All of your flaws and all of my flaws, they lie there hand in hand
Ones we ve inherited ones that we learn
They pass from man to man
      Εm
There s a hole in my soul
     G
I can t fill it i can t fill it
         F.m
And there s a hole in my soul
Can you fill it? can you fill it?
          C
                 D
You have always worn you flaws upon your sleeve
And i have always buried them deep beneath the ground
Dig them out
     G
              D
Let s finish what we started
     C
```

```
Dig them out
So nothing s left untouched
All of your flaws and all of my flaws, they may have been exude
We ll see that we need them to be who we are
Without them we d be doomed
         Em
There s a hole in my soul
I can t fill it i can t fill it
             Em
And there s a hole in my soul
Can you fill it? can you fill it?

                                         Εm
You have always worn you flaws upon your sleeve
                 С
And i have always buried them deep beneath the ground
Dig them out
Let s finish what we started
Dig them out
So nothing s left untouched
      С
When all of your flaws and all of my flaws are counted
