

Get Home
Bastille

Em **D**
How am I gonna get myself back home?

Em **D** **C**
Ay-ay, ay-ay, ay-ay

Em **D**
How am I gonna get myself back home?

Em **D** **C**
Ay-ay, ay-ay, ay-ay

Em **C**
We are the last people standing
Em-D-C

At the end of the night

Em **C**
We are the greatest pretenders
Em-D-C

In the cold morning light

C **Em**
This is just another night

G **C**
And we ve had many of them

C **Em**
To the morning we re cast out

G **C**
But I know I ll land here again

Em **D**
How am I gonna get myself back home?

Em **D** **C**
Ay-ay, ay-ay, ay-ay

Em **D**
How am I gonna get myself back home?

Em **D** **C**
Ay-ay, ay-ay, ay-ay

There s a light in the bedroom
But it s dark
Scattered around on the floor
All my thoughts

This is just another night
And we ve had many of them
To the morning we re cast out
But I know I ll land here again

How am I gonna get myself back home?

Ay-ay, ay-ay, ay-ay
How am I gonna get myself back home?
Ay-ay, ay-ay, ay-ay

C **Em**
The birds are mocking me

G **C**
They call to be heard

C **Em**
The birds are mocking me

G **C**
They curse my return

How am I gonna get myself back home?
Ay-ay, ay-ay, ay-ay
How am I gonna get myself back home?
Ay-ay, ay-ay, ay-ay

How am I gonna get myself back home?
Ay-ay, ay-ay, ay-ay
How am I gonna get myself back home?
Ay-ay, ay-ay, ay-ay, I m lost
