

Glory Bastille

Intro: Bm G D A (2x)

verse 1

Bm **G**
Deep in a corner of the night

D**A**
We were lying in the middle of the road

Bm **G**
Counting the planes as they flew by

D**A**
Inconceivable imagining them go

Bm **G**
And drunk we set the world to rise

D**A**
As we fell and hit our heads upon the curb

Bm **G**
You make me laugh until I die

D**A**
Can you think of any better way to choke?

Pre-Chorus

G **Bm** **A** **D**
 Stories told to me and stories told to you
G **Bm** **A** **D**
 And did you ever feel like they were ringing true?

G
And all their words were glory
A **Bm**
Well they all, they sounded empty
A **D**
When we re looking up for heaven
A
Looking up for heaven
G **A**
Way down here upon the ground
Bm
When we re lying in the dirt
A **D**
There s no looking up for heaven
A

Looking up for heaven

Not everything had gone to plan

Passing the drink from hand to hand

We admit we really know nothing at all
