

Hangin
Bastille

A **C#m**
Hindsight s a wonderful thing

B **C#m**
When we re all experts and pretend

A **C#m**
Where s a good place to begin

B
Let s start with the truth

C#m
Cause it gets you in the end

A **C#m**
Hangin the past out to dry

B **C#m**
String it up, all of your regrets

A **C#m**
No matter how hard you try

B
They blow round in the breeze

C#m
Through the branches in your hair

A **E**
Still through the leaves

B **E**
The wind keeps blowing, so

A **F#m**
Don t leave me hangin

C#m
I m coming for you, I m coming for you

A **F#m**
Don t leave me hangin

C#m
I m coming for you, I m coming for you

A **F#m** **C#m**
Ooh... it s coming for you (2x)

A **C#m**
Hindsight s an unhelpful friend

B **C#m**
Who s waiting there at the end

A **C#m**
He catches you unaware

B
With I told you so

C#m
And the spirit to the stairs

A **C#m**
Now that it all seems so clear

B **C#m**

You can end the lies from now here

A **C#m**

Those bits you d rather forget

B

Cut them down, cut them down

C#m

And lay them all to rest, cause

A **E**

Still through the leaves

B **E**

The wind keeps blowing, so

A **F#m**

Don t leave me hangin

C#m

I m coming for you, I m coming for you

A **F#m**

Don t leave me hangin

C#m

I m coming for you, I m coming for you

A **F#m** **C#m**

Ooh... it s coming for you (2x)

A **C#m** **B** **C#m**

Just leave me hangin in breeze if it makes you feel better

A **C#m** **B** **C#**

cause still through the leaves the wind keeps blowing

A **C#m** **B** **C#**

I could just turn the other cheek if it makes you feel better

A **C#m** **B** **C#**

cause still through the leaves the wind keeps blowing, but

A **F#m**

Don t leave me hangin

C#m

I m coming for you, I m coming for you

A **F#m**

Don t leave me hangin

C#m

I m coming for you, I m coming for you

A **F#m**

Don t leave me hangin

C#m

I m coming for you, I m coming for you

A **F#m** **C#m**

Ooh... it s coming for you (2x)

A **F#m**

(Don t leave me hangin

C#m

I m coming for you, I m coming for you)

A **F#m**

Don t leave me hangin

C#m

I m coming for you, I m coming for you.
