

Laughter Lines
Bastille

[Intro] (x4)

F C G G

[Verse 1]

F C G
You took me to your favourite place on earth
F C G
To see the tree they cut down ten years from your birth
F C G
Our fingers traced in circles round its history
F C G
We brushed our hands right back in time through centuries

[Pre-Chorus]

F C G
As you held me down, you said

[Chorus]

Am F G
I ll see you in the future when we re older
Am F G
And we are full of stories to be told
Am F C G
Cross my heart and hope to die
Am F C G
I ll see you with your laughter lines
Am F C G

[Verse 2]

F C G
Changes on our hands and on our faces
G
Oh-oh
F C G
Memories are mapped out by the lines
G
we ll trace

[Pre-Chorus]

F C G
As you held me down, you said

[Chorus]

Am F G
I ll see you in the future when we re older
Am F G
And we are full of stories to be told

Am F C G
Cross my heart and hope to die
Am F C G
I ll see you with your laughter lines

[Bridge]

Am
Ashen faces in cold breeze
Ashen faces in cold breeze
F
All the stories you will leave
Oh-oh
G
All the stories you will leave

[Chorus]

Am* F* G*
I ll see you in the future when we re older
Am* F* G*
And we are full of stories to be told

I ll see you in the future when we re old
