

Oil On Water  
Bastille

Intro: F C C/A# Am E

verse 1

          F                                  C  
So her fingers ran away with themselves  
C/A#  Am                  E  
  Till everything was documented  
          F                                  C  
Her mind it was reaching out  
C/A#  Am                                  E  
  To put into words what their bodies had done

          F                                  C  
They lie together, oh  
C/A#  Am  F    E  
Oil on wa - ter  
          F                                  C  
And they lie upon her, oh  
C/A#          Am  F    E  
Someone s daugh - ter

verse 2

          F                                  C  
It s a catalogue of modern mistakes  
C/A#  Am                                  E  
Her words and legs wrapped around each man  
          F                                  C  
Leaving stories like digital crumbs  
C/A#    Am                                  E  
As she turns these nights into literature

          F                                  C  
They lie together, oh  
C/A#  Am  F    E  
Oil on wa - ter  
          F                                  C  
And they lie upon her, oh  
C/A#          Am  F    E  
Someone s daugh - ter
