B F# C#  
Obsession it takes control,  
B E B F# C#  
Obsession it eats me whole,  
Ebm C# F#  
I can't say the words out loud,  
Ebm C# B  
So in a rhyme I wrote you down,  
C# F#  
Now you'll live through the ages,  
B C# B  
I can feel your pulse in the pages.

F# C#  
Whoa Whoa oa  
B F#  
I have written you down,  
Ebm C#  
Now you will live forever,  
B F#  
And all the world will read you,  
Ebm C#  
And you will live forever,  
B Ebm  
In eyes not yet created,  
B F#  
On tongues that are not born,  
B F#  
I have written you down,  
Ebm C#  
Now you will live forever.

Whistling: Ebm F# Ebm C#  
E B F# C#  
Your body lies upon the sheets,  
B E B C#  
Of paper and words so sweet,

Ebm C# F#  
I can't say the words,  
Ebm C# F#  
So I wrote you into my verse,  
B C# F#  
Now you'll live through the ages,  
B C# B  
I can feel your pulse in the pages.

B

Ebm  
I've read her with these eyes,  
F# C#  
I have held her in these hands.

E B F#  
I have written you down,  
Ebm C#  
Now you will live forever,  
B F#  
The virtues in the verse,

And you will live forever.
