Snakes
Bastille

Intro: x4

```
Em                C
Ooouh, I m not ready
Am            D
Ooouh, I m not ready
```

Verso 1
```
C                          Em
Snakes are battening our hills
                        C D
They followed from the grass
C                         Em
I ll keep keeping them away
            C              D
What if my result just can not last
```

Pre-Refrão
```
C          Em
If I m not ready
C             D
Life will just eat me whole
C          Em
If I m not steady
C          D
Maybe I ll lose control
```

```
        G    G/C  C G
But it s easier  to   bu-ry
Em             C      G
my head in the sand sometimes
        G    G/C  C G
Yes, it s easier  to   bu-ry
Em             C      G
my head in the sand sometimes
        Em
Yeah, I know, I know, I know
          C           G
it s not the right way to go
       Em                                      C G
but I m afraid that the ground will just swallow me whole
```

Verso 2
```
C                              Em
Now, the sky is getting dark
                      C              D
Can t you hear the thunder start to roar
   C                    Em
So I ll be picking up the phase
                          C              D
Block all things that d rather just not knock
```

Pre-Refrão
