Bastille

Weight of Living Part 1 - Bastille

This is just the key I play it in as it suits my voice, just move the capo
around
or transpose if this doesn't suit you.

Capo on 2

VERSE 1

F

There's an albatross around your neck,

C

All the things you've said,

and the things you've done,

F

Can you carry it with no regrets,

C

Can you stand the person you've become,

Am F C

Ooooh there's a light (x2)

CHORUS

F C Am G

Your Albatross, let it go, let it go,

F C Am G

Your Albatross shoot it down, shoot it down

F

When you just can't shake

C

G

The heavy weight of living

VERSE 2

F

Stepping forward out into the day

C

Shrugging off the dust and memory

F

Though it's soaring still above your head

C

It is out of sight and none shall see

Am F C

Ooooh there's a light (x2)

CHORUS (Same as Before)

Your Albatross, let it go, let it go,
Your Albatross shoot it down, shoot it down
When you just can t shake
The heavy weight of living
When you just can t seem to shake
The heavy weight of Living

BRIDGE

Am F C G
It s the suuun in your eyes, in your eyes (x4)

CHORUS (Same again)

Your Albatross, let it go, let it go,
Your Albatross shoot it down, shoot it down
When you just can t shake
The heavy weight of living
When you just can t seem to shake
The heavy weight of Living

OUTRO

F C
The Weight of Living
G
The Weight of Living (x2)

Note: To play in the actual key of the recorded song with these chords take it all the way up to Capo 8
