[Pre-Chorus]

Weight Of Living Part 2 Bastille [Intro] The weight of living The weight of living The weight of living The weight of living [Verse 1] All that you desired, when you were a child Was to be old, was to be old Now that you are here, suddenly you fear You ve lost control (You ve lost control) [Pre-Chorus] C Am F C Do you like the person you ve become? [Chorus] Gmaj7 Under the weight of living C You re under the weight of living Gmaj7 Under the weight of living Em You are under the weight Em C The weight of living, the weight of living [Verse 2] It all crept up on you, in the night it got you And plagued your mind, it plagues your mind Every day that passes, faster than the last did And you ll be old soon, you ll be old

Do you like the person you ve become? Oh [Chorus] Under the weight of living You re under the weight of living Under the weight of living You are under the weight The weight of living, the weight of living [Bridge] Am F (Tell yourself this is how it s going to be) С (Tell yourself this is how it s going to be) Am F Oh, tell yourself this is how it s going to be. Oh, tell yourself this is how it s going to be, oh. [Chorus] Gmaj7 Under the weight of living You re under the weight of living Under the weight of living Em You are under the weight The weight of living, the weight of living The weight of living, the weight of living
